

Welcome to Parma Academy!

We are thrilled to welcome you to Parma Academy — a premier early childhood education school serving families in Parma and the surrounding communities. Our school provides a nurturing, academically enriching environment for students in Early Kindergarten through Third Grade, and we are proud to be a cornerstone of early learning in the area.

At Parma Academy, we believe every child deserves the opportunity to thrive. Our small class sizes allow for personalized attention and meaningful teacher-student relationships that support individual learning and growth. Our dedicated, family-oriented staff bring a wide range of experience and talents to the classroom, creating a vibrant and supportive community where children are encouraged to explore, learn, and succeed.

We are proud to offer free tuition, as well as free breakfast and lunch daily to ensure every student is well-nourished and ready to learn. For busy families, we also offer a convenient before- and after-care program through our trusted daycare partner, which includes care for younger siblings not yet school-aged — because we understand that support for families extends beyond the classroom.

Parma Academy is more than just a school — it's a place where your child can grow academically, socially, and emotionally in a safe and encouraging environment. We invite you to become part of our Parma Academy family and join us in building a strong foundation for your child's future.

Warmly,  
The Parma Academy Team
